

# Edison Prep's ACT Bootcamps

Edison Prep offers on-site ACT Bootcamps in Georgia and surrounding states.

## ACT Bootcamp Overview:

- A full-length graded and analyzed mock ACT test (a pre-bootcamp diagnostic test)
- 8-18 hours of classroom instruction
- Class can be configured either as a one-day 7-9 hour bootcamp or a longer two-day class (14-17 hours). Material is custom-configured from Edison Prep's full-length 17-hour curriculum.

## Edison Prep Background and Philosophy:

- Edison Prep's founders teach the bootcamps themselves and have more hours of tutoring experience than [any other ACT tutors in Georgia](#): over 68,000 hours! They have authored/published their own ACT book, which is currently in its 13<sup>th</sup> edition.
- The instructors still take the test each year and score in the top 1%, including the [only back-to-back-to-back perfect 36's in history](#).
- 85% of our students who've attained a perfect 36 over the years have actually done so via our ACT courses rather than private tutoring. Once students have the foundational material from the bootcamp, post-Bootcamp timed practice tests (provided at the Bootcamp) are what it takes to cement the formulas, rules, and timing strategies.
- As children of public school teachers who came from limited means, Edison Prep's founders provide scholarship spots in each on-site bootcamp (to be designated by the institution).
- We transparently publish [our results](#) online. Our bootcamps have an average increase of 2.8 points (one-day class) and 4.4 points (two-day class). We email a post-bootcamp "battle plan" to all students **and** parents after each bootcamp so that parents can check in on students' homework progress and get the most out of their investment.
- ACT Bootcamp pricing is flexible based on overall group size, and all materials are included. We are happy to provide references from past on-site bootcamps if desired.
- We have done bootcamps as small as 12 and as large as 154 (an entire junior class), and the pedagogy and guided practice style allows for all group sizes to be effective!
- We also include our online self-paced calculator class for TI-36 and/or TI-84 at no additional cost.

To get more information or inquire about an ACT Bootcamp at your school, please contact us at [edison@edisonprep.com](mailto:edison@edisonprep.com) and/or 404-333-8573. Thanks!
