

NEED ACCOMMODATIONS ON THE ACT?

HERE'S HOW TO REGISTER!

brought to you by  Edison Prep

BEFORE WE BEGIN...

- **If you have a 504 plan at a public school**, approval for accommodations is very likely with no waiting period after implementation.
- **If you have an IEP or other types of accommodations at a private school, are homeschooled, or similar**, the process is a bit more laborious. Your first step is to **talk to your school counselor**.

Having formally documented accommodations—both access to them and a history of using them (the longer the better!)—is a key factor in obtaining approval for extended time if no 504 plan exists.

1) GO TO MY.ACT.ORG

- If you don't have an account, click on **Create MyACT account** and follow the prompts.
- If you have an account, sign in with your email and password.

The screenshot shows the ACT MyACT login interface. On the left, there is a 'Welcome To MyACT' section with a 'Create MyACT account' button. On the right, there is a 'Sign in' section with a 'Sign In' button. The sign-in section includes fields for 'Email address' and 'Password', along with links for 'Forgot e-mail?' and 'Forgot Password?'.

2) LINK YOUR HIGH SCHOOL

- New accounts will **automatically** request high school information.
- If you already had an account, click  in the top right. Then **View Account → About Me → High School Information**. Search for your school, and **Save!**

The screenshot shows the 'Welcome!' page for a user who has just created an account. The page prompts the user to 'Please answer a few more questions to complete your account.' Below this, there are three sections: 'Role' (with 'Student' selected), 'High School Information', and 'High School Graduation Year'. Each section has a dropdown menu for selection.

3) START THE REGISTRATION PROCESS!

On the homepage, click **register for the ACT.**

- Make sure you have all materials ready (otherwise, you'll have to start over!)

Click **Begin Registering → In the U.S. → Yes, Accoms/Supports Needed.**

Select either
National Testing
(‘I can do all of those’)

or
Special Testing
(‘One or more of those apply’).

4) CHOOSE YOUR TESTING CONDITIONS

Do you plan to take the ACT with writing or the ACT (no writing)? ?

ACT with writing

ACT, no writing

Choose to take the **ACT with writing** or the **ACT, no writing**.

Choose **ACT with writing** if you are planning on applying to one of the very few schools that require at least one attempt on the writing section, including:

- **Martin Luther College (MN)**
- **West Point (NY)**
- **University of Mary Hardin-Baylor (TX)**
- **Montana Christian College (MT)**

Many universities don't *require* the Writing section, **but many use it for English placement.** Check each university's website for information on the ACT Writing Test—don't trust outside sources!

Choose paper-based or **computer-based testing (CBT).**

- The computer-based test is not available at all test centers or on all test dates.
- It is the **same test** as on paper, just on a computer screen.

Would you like to test on paper or computer? ?

Note: Taking the ACT on a computer is currently in a pilot state and test centers are limited. Your zip code may not show results until availability is expanded. Paper and pencil testing is still an option through your preferred test center.

Computer

Note: Based on the zip code you provided, the nearest computer testing center is approximately 4 miles from you.

4) CHOOSE YOUR TEST DATE & LOCATION

As we navigate the challenges and volatility of the COVID-19 pandemic, please know there is a chance that your test center may close prior to your scheduled test date. For the most up-to-date information, visit our [test center cancellation and reschedule page](#) and look for email updates from ACT.
